I, the undersigned ("Guarantor"), request D. Edward Leasing Company ("Creditor") to grant credit to _____ ("Debtor"), and in consideration of such credit, unconditionally guarantee and promise to pay Creditor, or its assigns, any and all indebtedness incurred by Debtor by reason of the purchase of goods and services from Creditor. This is a continuing guaranty, which shall not be revoked, and shall cover all future indebtedness of the Debtor, including indebtedness arising under successive transactions that shall either continue the indebtedness or, from time to time, renew it after it has been satisfied. No exercise or non-exercise by Creditor of any right hereby given it, no dealing by Creditor with Debtor or any guarantor or endorser, no change, impairment, or suspension of any right or remedy of Creditor shall in any way affect any of my obligations hereunder or any security furnished by me, or give me any recourse against Creditor. Creditor need not take any action against Debtor, any other person, firm or corporation, or resort to any security held by it at any time before proceeding against me as Guarantor. All existing and future indebtedness owing by the Debtor to the Guarantor hereunder is hereby subordinated to all debts and obligations hereby guaranteed, and without the prior consent of Creditor, shall not be paid to the Guarantor hereunder by Debtor in whole or in part during the live of this Guaranty. Guarantor understands and agrees that payment to Creditor is due 30 days after the invoice billing date, that a 1.5% per month (18% per annum) finance charge is accrued on all delinquent balances, and that Guarantor is responsible for paying all costs incurred by Creditor in collecting any indebtedness, including but not limited to mechanic's lien expenses, court costs, and reasonable attorney's fees.
